

Merit Badge Requests (Scouts already in Troop 1)

INSTRUCTIONS

- Review your completed merit badges on Scoutbook — <https://advancements.scouting.org>
- Enter three merit badge choices per time slot. Class availability is limited so there are no guarantees. If none of the preferred merit badges are available, one will be selected automatically.
- Double period classes in the afternoon—like Lifesaving and Swimming—may result in a partially completed merit badge due to schedule conflicts with our offsite activities—rafting, rodeo, etc.
- Follow instructions on the website for submitting your form.
